

THE CRAWDIDDIES

Stage Plot with House-provided sound

What we will need:

- At least 1 stage-accessible electric outlet
- 6 XLR, 48V phantom powered channels
- 1 DI box for the mandolin with cable
- At least one monitor

What we will bring:

- 1 condenser mic for vox
- 1 condenser mic for washboard
- 1 dynamic mic for washboard "kick drum"
- 1 bass amp with XLR DO
- 1 banjo amp with XLR DO
- All necessary cables from source to snake (except DI)

Washboard Rig - Dave

Mandolin - Heather

Vocal Mic - Heather, Ben, Jay

We will need these

Bass - Jay

Banjo - Ben

* If we are providing sound, all we need is a secure 110v power source located near the stage, otherwise it will be an acoustic show. (We can do that too)
